Collaborative early career researcher with strong expertise in statistical analysis and computational methods. My background in management consulting enables me to balance competing priorities and to be productive in teams. A confident and experienced presenter and teacher, I look to inspire students to think critically and engage deeply. My research interests are focused on intergroup relations, particularly regarding the links between peoples' beliefs about intergroup relations and actual intergroup outcomes.

EDUCATION

- 2017-2021 PhD in Psychology (funded by German Academic Scholarship Foundation)**
[Goldsmiths', University of London, supervisors: Dr Keon West and Prof Adam Rutland](#)
Research focuses on contact theory and social integration, with a particular focus on the role of diversity beliefs. Working title for the dissertation: "Valuing diversity: an undervalued outcome of intergroup contact that explains diverse contact effects"
- 2016-2017 MA in Education (Psychology)**
[UCL Institute of Education, London](#)
Dissertation focused on motivation of disadvantaged/minority youth to engage in politics. Additional research on adolescents' perspectives on career choices.
- 2009-2012 BA in PPE (Politics, Philosophy and Economics)**
[University of Oxford \(Merton College\)](#)
Overall focus on political theory and social change, with modules including demographic change and political sociology.
- 2006-2007 International Baccalaureate**
[Waterford Kamhlaba UWC, eSwatini](#)
Conducted mixed-methods research on race relations among primary school children in Johannesburg (South Africa) for the final assessment.
-

Wallrich, L. (2020, August) "How to get people to stay at home? Considerations from behavioural research for Covid-19 communication." *Virtual taster lecture as part of the Realising Opportunities access programme.*

Wallrich, L. (2019, June) "When refugees arrive: how contact, protest and media coverage shaped attitudes in Germany." *Invited presentation to the Equalab research group at Goldsmiths, University of London.*

Wallrich, L. (2019, November). "Intergroup contact and diversity beliefs: initial insights into their relationship and an agenda for further research." *Invited presentation to the Developmental Intergroup Processes Lab (DIPLab) at the University of Exeter.*

Wallrich, L., Silvestri, L. & Warren, R. "Designing curricula for intercultural youth programmes" *Invited workshop at the UWC Short Course Conference in Madrid.*

Wallrich, L. (2018, June). "How do psychologists think about identity and conflict?" *Presentation as part of the DE:CONSTRUCT student conference at Goldsmiths, University of London.*

TEACHING EXPERIENCE

2018-2021 Associate Lecturer at Goldsmiths, University of London

- *Graduate School Core Quantitative Research Methods* (3 years, 15 seminars/year)
Redesign of course for PhD students from various departments, including switch to R and flipped classroom pedagogy. Delivery of lectures and seminars, setting and marking exams, and providing individual tutoring.

- *Department of Social, Therapeutic and Community Studies*
Research Methods in MA in Cognitive Behavioural Therapy (2 years, 9 seminars/year)
Design and delivery of research methods seminars, including statistics, research ethics, qualitative interviewing, thematic analysis, dissertation writing and Open Science.
- *Department of Psychology*
Tutorials for first- and second-year students (Management Stream, 15 tutorials and essay marking), Introduction to R computer lab sessions (2 sessions)
- *Realising Opportunities outreach programme*
Tutor for Academic Assignment: supported eight Sixth Form students to identify a topic for a research essay and shape the question, reviewed drafts and marked final assignment.

2019-2021 Associate Lecturer at St Mary's University, Twickenham, Dep. of Psychology

- *Introduction to Social and Developmental Psychology (2 years, 5 lectures, 10 seminars/year)*
Delivery of social psychology component of first year module, and support for developmental component, including lectures, seminars, and individual tutorials. Setting of essay titles and multiple choice assignments, and marking.
- *Everyday Psychology (4 lectures and 5 seminars)*
Delivery of lectures and seminar of first year module, including on educational, political and occupational psychology. Guiding students through poster presentation assessment and contribution to marking.
- *Political Psychology (2 years, 1 lecture/seminar/year)*
Guest lecturer in third-year module, contribution of session on partisan polarisation, xenophobia and xenophilia, including a minor in-class research project.

2011-2018 Trainer at UWC Short Courses in Germany, Austria, Turkey and eSwatini

UWC Short Courses are international programmes for 16-20-year olds, focused on intercultural dialogue and social entrepreneurship. Responsible for programme design and training of trainers. In Germany and eSwatini, also overall coordination of courses with responsibility for fundraising, child protection, publicity, and partnerships.

OTHER RELEVANT WORK EXPERIENCE

2013-2020 Management Consultant and Trainer at McKinsey & Company (Berlin)

Focus on projects related to agile working methods, organisational culture, and data analytics in private and public sector organisations. Managed several project teams. Worked as trainer and lecturer on various programmes, including on leadership development, consulting skills and financial modelling.

2011-2012 Researcher at European Studies Centre, University of Oxford

Focus on an international project on accountability in welfare reform. Conducted

desk research and stakeholder interviews; organised research workshop to align the international team and wrote paper on hospital investment funding presented at a conference at Potsdam University.

GRANTS AWARDED

- 2019** **Conference Travel Grant from German Academic Scholarship Foundation**
For participation in ISPP Annual Meeting, Lisbon, 2019 (500 EUR)
- 2018-2021** **PhD funding from German Academic Scholarship Foundation (73,000 EUR)**
- 2009-2018** **Youth work funding from European Union Erasmus+ programme**
Six successful grant applications (>150k EUR)

SELECTED VOLUNTARY EXPERIENCE

- Since 2011** **Board Member at emPOWER Training e.V.**
Founded and developed a charity (incorporated in Germany) that supports and initiates international youth projects. Key projects I was responsible for include an international youth exchange travelling from Berlin to Bucharest, Istanbul and Baku and international partnership building meetings for NGOs.
- Since 2019** **Podcast host of *Education for Social Change*** (<http://bit.ly/EduPodcastApple>)
Created podcast where I interview educators and entrepreneurs from various sectors on topics ranging from an online high school for refugees to decolonisation and innovative curricula for undergraduate and graduate degrees at university

QUALIFICATIONS / COURSES UNDERTAKEN

- Completed teaching assessment of **Goldsmith Academic Practice** module (first half of PG Cert Learning and Teaching in Higher Education , currently completing second half)
- Completed **Statistician with R** career track (56 hours learning module on Datacamp)
- Participated in **ISPP 2020 Summer Academy** on research methods in political psychology
- Participated in **NCRM course on Longitudinal Data and Research** (November 2020)

SKILLS

Teaching:

- Flipped classroom and online teaching (e.g., lectures for Core Quantitative Methods course, https://www.youtube.com/channel/UC4ZugACAXuZMCZd_Mb70obw)
- Use of audience participation tools, e.g., PollEverywhere and Wooclap
- Use of Zoom and MS Teams to run interactive sessions (e.g., with breakout rooms)

- Use of Moodle, and creation of free-standing course pages with interactive exercises on GitHub (e.g., <https://lukaswallrich.github.io/StMarysSocPsy/>)

Data Analysis:

- Strong understanding of SPSS and R, incl. multi-level and structural equation models
- Quantitative text analysis, including bag-of-word and machine learning approaches
- Use of Google Cloud Virtual Machines for computationally intense tasks
- Qualitative thematic analysis, using QDA Miner software

Coding:

- Working knowledge of HTML, CSS, PHP, VBA, JavaScript and Python, e.g., for scraping web data such as tweets and for setting up complex online experiments
- Contributor to multiple R packages (e.g., broom, modelsummary, rNuggets)

Languages: German (native), English (C2), French and Spanish (B1)

PROFESSIONAL International Society for the Study of Political Psychology (ISPP)

MEMBERSHIPS: Society for the Improvement of Psychological Science (SIPS)
European Association for Social Psychology (EASP)

RESEARCH GROUPS: *Equalab* - research on the psychology of intergroup relations and equality
DIPLab - research on developmental intergroup processes)
Contact Research Group South-East - research on intergroup contact
